

## Year 11 Lesson 6

Dear Parent/Carer,

I hope you had a wonderful festive break and would like to wish you a happy new year. We are now over half way through year 11 and only have 73 school days left until your child sits their first exam in the summer. As always, staff are pleased to be running extra tuition sessions for year 11 this half term in order to best prepare them for these rapidly approaching exams. **We do expect all year 11 students to be in school until 3:50pm** on these days so that they do not miss key exam preparation. Please see the details below:

Date	Session
Wednesday 10 <sup>th</sup> Jan	Science
Wednesday 17 <sup>th</sup> Jan	History/Geography/MFL
Wednesday 24 <sup>th</sup> Jan	Maths
Thursday 25 <sup>th</sup> Jan	English / Coursework
Wednesday 31 <sup>st</sup> Jan	Science
Thursday 1 <sup>st</sup> Feb	History/Geography/MFL
Wednesday 7 <sup>th</sup> Feb	Maths
Thursday 8 <sup>th</sup> Feb	English / Coursework

In addition to these sessions, the creative technologies department are offering coursework sessions in art, photography, food and hospitality on a Friday after school; please do encourage attendance if your child studies one of these subjects.

If there is an unavoidable reason as to why your child cannot attend any session, please get in touch with Mr Garforth. Thank you once again for supporting your child to make the most of the revision opportunities we offer at Marine Academy.

Yours faithfully,

Jennifer Brimming (Senior Vice Principal: Quality of Education)
